Program Description (written by Provider) <p>SurePrep Learning is a National Tutoring Association (NTA) certified program, providing high-quality one-on-one and small group tutoring (maximum 3 students) in schools, community centers, and public libraries. SurePrep Learning is one of two approved providers for the AIMS State Tutoring program, which provides AIMS prep for qualifying students.</p> <p>SurePrep begins with an in-depth diagnostic, revealing each student's strengths and weaknesses. Our diagnostic creates a list of between 10-15 performance objectives from the Arizona Academic Standards. We then develop an individualized learning plan based on each student's unique needs.</p> <p>We use various materials from best-in-class publishers such as Buckle Down, Harcourt, Pearson, and Spectrum as well as our own proprietary materials for supplemental instruction and practice.</p>	
Evidence of Effectiveness (written by Provider) <p>SurePrep Learning's 07-08 SES students had a mean increase between pre-test and post-test scores of 20.3% with an average of 22 hours of instruction.</p>
